Please review the following guidelines before booking a reading. By scheduling a session, you acknowledge that you have read, understood, and agreed to these terms.

✧ **General Disclaimer** ✧

First and foremost, tarot readings are provided for entertainment and self-reflection purposes only.

By booking a reading, you acknowledge that you are not receiving medical, legal, financial, psychological, or other professional services.

Tarot readings are interpretive in nature and should not be relied upon as factual statements or guarantees of future outcomes.

If you require professional advice, please consult a qualified professional.

✧ **Spiritual Services Disclaimer** ✧

All tarot readings and intuitive services provided by Ellie the Moonchild are offered as spiritual guidance and entertainment. These services are based on personal intuition, symbolic interpretation, and spiritual perspective.

By booking a session, you acknowledge that these services do not claim to diagnose, cure, predict, or guarantee specific outcomes in any area of life.

Any insights shared are intended to encourage personal reflection and self-empowerment, and should not be interpreted as factual statements or promises about the future.

All readings are provided remotely through digital communication platforms.

By booking a session, you acknowledge that services are delivered virtually and that results may vary based on interpretation and personal perspective.

✧ **About My Reading Style** ✧

I practice an intuitive and archetypal style of tarot reading, drawing from traditional card meanings, intuitive insight, and Jungian archetypal symbolism.

I may reference terms such as spirit, source, or the universe when discussing intuitive impressions. These terms are simply language used to describe intuitive processes and are open to your own personal interpretation.

My readings are designed to support self-reflection, empowerment, and personal insight rather than prediction or fortune-telling.
